
Guild of St George

Companion Donation & Contribution form

The Guild of St George was founded by John Ruskin in 1871 as a charity for the arts, crafts and rural economy.

We rely on the generous support of Companions, partners and friends to be able to do the work we do and care for assets bequeathed to us by previous generations, for the public good. Please complete the form below, indicating if you are able to give a financial donation, by way of a voluntary subscription (suggested minimum £25) and if you wish to, indicate other ways you anticipate supporting the Guild. There is a separate Gift Aid form for UK taxpayers, which enables us to reclaim further funds from the government to support the Guild's work. Thank you
